**Hudson County Board of Commissioners Congratulate,
Commend, and Applaud John Behr on receiving the 2021
NJAC Foundation and Investors Foundation Scholarship
Award**

Jersey City-The Hudson County Board of Commissioners congratulates, commend, and applaud John Behr on receiving the 2021 NJAC Foundation and Investors Foundation Scholarship Award.

John Behr, a North Bergen resident, is a 2021 graduate of High Tech High School of the Hudson County Schools of Technology who has been awarded the 2021 NJAC Foundation and Investors Foundation Scholarship Award for Hudson County. This scholarship program is designed to encourage distinguished students who have chosen to pursue their career training at a County or State educational institution within New Jersey.

John Behr is a self-driven student who sets only the highest expectations for himself. Throughout this pandemic, John has shown not only his maturity, but a level of compassion and concern for those around him. John Behr visited his grandmother who suffers from Alzheimer's, on a daily basis. He made breakfast, lunch, and dinner for her while spending countless hours keeping her company and offering support. He is a kind, compassionate, and genuine individual.

John Behr has overcome multiple injuries and hospital stays over the past years, but he never let that affect his grades or his ability to help others. He is in the top 20% of his class, holding a 4.2 GPA.

John Behr will pursue his academic career in Business this fall at Rutgers University, New Brunswick.

John Behr's hard work and commitment to excellence have brought honor upon himself, his family, his school and the County of Hudson.

Board Chairman Anthony Vainieri and the Hudson County Board of Commissioners congratulate, commend and applaud John Behr upon being awarded the 2021 NJAC Foundation and Investors Foundation Scholarship Award and wish him every success in his college endeavors.
