---

**Jersey City**-The Hudson County Board of Commissioners approved the County of Hudson to accept a \$125,000 grant from the New Jersey Department of Community Affairs Housing First Expansion Grant Program.

The purpose of the grant is to provide funding to engage communities in planning towards creating high quality Housing First project and funding to promote enhanced data collection and data sharing across systems.

Hudson County would enter into a Memorandum of Understanding with Jersey City to begin a process to create a streamlined data system that would consolidate data among different partners and systems that impact and serve those experiencing homelessness. This data would be available to providers to assist in identifying housing and service resources for clients to ensure opportunities are not missed and all programs are serving those with the most needs.

Board Chairman Anthony Vainieri and the Board of Commissioners are committed in their resolve in providing the necessary resources needed to support housing initiatives for the homeless of Hudson County.
