**Hudson County Board of Commissioners authorize 2022 budget amendment State of New Jersey Department of Community Affairs Local Efficiency Achievement (LEAP) Implementation Grant for \$250,000**

---

**Jersey City-**The Hudson County Board of Commissioners authorize 2022 budget amendment State of New Jersey Department of Community Affairs Local Efficiency Achievement (LEAP) Implementation Grant for \$250,000.

Hudson County has entered into shared services agreements with other New Jersey participating counties for the maintenance of other New Jersey county inmates at the Hudson County Corrections and Rehabilitation Center. As part of this shared services agreement, Hudson County is to provide transportation for inmates transferring between correction centers. Hudson County will also be accepting Correctional Police Officer transfers from participating counties. As a result of accepting inmates from other counties, there is a need to enhance the video conferencing infrastructure for court and attorney client sessions. LEAP Implementation Grants allocate funds to help cover costs associated with new shared service implementation including one-time reimbursable costs for project completion or transition support which may include, but is not limited to, new technology costs incurred as part of equipping a new shared services program, rebranding costs, equipment and vehicle outlays, professional services, rent for facilities, payroll system conversion costs, and training. Since a 25% match is required, the \$250,000 grant can account for up to 75% of the project cost, with the remaining 25% covered by Hudson County.

Chairman Anthony Vainieri and the Board of Commissioners are committed to providing the tools necessary for the maintenance of inmates from other participating New Jersey counties at the Hudson County Corrections and Rehabilitation Center.
