Hudson County- The Hudson County Board of Commissioners authorized the acceptance of funds from the National Endowment for the Arts (NEA) Project Grants Program in the amount of \$60,000.

This grant offers funding to local arts agencies through the Grants for Art Projects (GAP) program. The GAP program provides support for projects that incorporate public engagement with, and access to, various forms of excellent art across the nation, supports the creation of art that meets the highest standards of excellence, enables learning in the arts at all stages of life, and integrate the arts into the fabric of community.

The Office of Cultural & Heritage Affairs will use the funding to support the Hudson County Arts in Education program. The funds will provide non-profit arts organizations with the discipline of art instruction to students at participating schools in the county.

Board Chairman Anthony Romano and the Hudson County Board of Commissioners are providing the necessary resources needed to assist organizations in providing art instruction to students in Hudson County.
