Hudson County Board of Commissioners approved Traffic Calming Devices on Paterson Plank Road in the City of Jersey City

Hudson County- The Hudson County Board of Commissioners approved traffic calming devices on Paterson Plank Road in Jersey City.

The traffic calming devices, Thermoplastic Rumble Strips, will be installed in accordance with the New Jersey Department of Transportation standards to protect the traveling public.

The traffic calming devices, Thermoplastic Rumble Strips, will be placed at the intersection of Paterson Plank Road, a double yellow center line between Congress Street and Mountain Road in Jersey City.

Board Chairman Anthony Romano and the members of the Board of Commissioners are committed to providing the necessary resources needed to reduce traffic congestion, control, and lower speed on the roadway to protect the traveling public in Jersey City and

Hudson County.
