The “No Turn on Red” signs will be installed in accordance with the New Jersey Department of Transportation standards to protect the traveling public.

The “No Turn on Red” signs will be placed at the intersection of John F. Kennedy Blvd and Saint Paul’s Avenue in Jersey City.

This will improve safety conditions for the traveling public in the vicinity. There is a school on the corner where there is no crosswalk. The new safety measures will include

the installation of a crosswalk at the corner.
