---

**Hudson County-** The Hudson County Board of Commissioners approves a \$93,750 dollar contract with the Urban League of Hudson County for the “Grandmothers Program.” This program will employ, train, and supervise eight seniors’ citizens to serve as “grandmothers” for Hudson County children identified by the New Jersey Department of Children Services as at risk for secure foster care placement. These grandmothers will serve as role models to assist troubled families in the development of a nurturing home environment. The goal is to stabilize home environments and reduce the number of children who enter foster care placement.

The contract will be for the term from April 1, 2024, through December 31, 2024. The contract amount is \$93,750.

“The Hudson County Board of Commissioners are committed to providing the necessary resources to assist community-based organizations who are working with New Jersey Department of Children Services to prevent at risk juveniles of Hudson County from entering into foster care,” says Board Chairman Anthony Romano.
