Immediate Release

Hudson County Board of Commissioners Congratulate, Honor, and Commend Micah Goodman on receiving the 2024 NJAC Foundation VM Ware Scholarship Award.

Hudson County- The Hudson County Board of Commissioners congratulates, honor, and commends Micah Goodman on receiving the 2024 NJAC Foundation VM Ware Scholarship Award.

Micah Goodman, a Hoboken resident, is a 2024 graduate of High-Tech High School of the Hudson County Schools of Technology who has been awarded the 2024 NJAC Foundation VMWare Scholarship Award for Hudson County. This scholarship program is designed to encourage distinguished students who have chosen to pursue their career training at a County or State educational institution within New Jersey.

Micah Goodman, excelling in Computer Programming at High Tech High School, has a 4.1 grade point average and took rigorous AP classes. He discovered coding in third grade and instantly fell in love with the way it combines math and logic into a tool that can solve almost any problem. He has worked on numerous coding projects, both in and out of school, such as leading the coding department on his robotics team, and participating in, and winning the 2022 High Tech Hacks hackathon. Micah Goodman is excited to take his coding passion to the next level at college by extending his knowledge and creating more innovative projects.

Micah Goodman volunteered at the nonprofit Computers4People where he taught teens how to build computers, as a peer tutor and a math tutor outside of school. He plans to participate in research in the field of computer science to find novel ways to improve society, through robotics, AI, or other emerging fields.

Micah Goodman will pursue his academic career in Computer Science this fall at Rutgers University.

Micah Goodman's hard work and commitment to excellence have brought honor upon himself, his family, his school and the County of Hudson.

Board Chairman Anthony Romano and the Board of Commissioners congratulate and commend Micah Goodman upon being awarded the 2024 NJAC Foundation VM Ware Scholarship Award and wish her every success in her college endeavors.
