[Riding in Hudson County with TRANSCEND](#)

Need a Ride to the Doctor, Therapy, or Shopping location in the county? We can do it. We are TRANSCEND, Hudson County's reliable and dependable transportation service that can transport you to medical appointments, shopping, employment and more. TRANSCEND provides transportation to locations primarily within Hudson County.

TRANSCEND is administered by the Hudson County Department of Aging and Veteran Services. It was established in 1986 and has expanded to meet the growing needs of our communities. TRANSCEND is funded through your County Board of County Commissioners and grants from New Jersey Transit, Veterans Administration, Federal Transportation Administration and Title III of the Older Americans Act. The Service is available to seniors (60 years of age and older), persons with permanent disabilities (age 18 and over) and veterans. As a result of the strong support from the County Executive and the Board of County Commissioners we have been able to expand services, obtain new vehicles and efficiently serve our riders with the implementation of a new scheduling and routing software program.
