CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**COUNTY OF HUDSON
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The 2025 Capital Budget which is presented herein is a systemic long range approach by Hudson County to capital budgeting which is a major factor in controlling future costs. With long range capital budget planning, the County seeks to cut down expenses in maintenance and repairs due to the deterioration of physical facilities. The 2025 capital budget, as submitted annually by our Department of Parks, and Department of Roads and Public Property is subject to review by the members of the Board of County Commissioners and the County Executive prior to authorization to raise or expend funds. Requests from all County departments are submitted and are detailed on a priority system over a six (6) year period. Those with the highest priority were the ones that ensure the continued delivery of county services to our taxpayers or were required for health and safety reasons.

The planned 2025 capital budget reflects a total estimated cost of \$1,107,900,903 over the next six (6) year period. The funding for the proposed projects will come from a combination of state and federal grants, issuance of general obligations and other specific financings by the County of Hudson and includes major projects such as the completion of the new justice complex, improvements to parks across the County, major improvements to the Meadowview Campus, and the construction of a new public works facility.

The list of capital projects can include Green Acres and Open Space programs. The reconstruction of our roads and bridges, acquisition of and improvements to educational facilities for the County College and Schools of Technology, and other important projects are funded on a regular basis.

These projects and others, as planned in our 2025 capital budget, have been incorporated in our capital program as part of a continuous replacement program to ensure the continued delivery of services and the compliance of health and safety regulations.
