Re: Living Wage Certification Portal

The County of Hudson is very happy to be working with your company! As part of your service contract, your company is required to provide quarterly living wage certifications to the County PACO (Public Agency Compliance Officer), Elizabeth Demetriades-Harnett. In an effort to become more streamlined and efficient, the County has created a portal in which you can submit your living wage certifications.

Please submit your living wage certifications at: [Living Wage Compliance Certification Portal](#)

You can find more information regarding our Compliance Office at the following website: [Hudson County Compliance Office](#)

Thank you in advance for your cooperation.
